

VPL Single installation bracket

Item no. 83060634

Description

This bracket is intended for permanent installations with VPL fixtures. Two VPL Single Installation Brackets are needed per fixture, if no Dual Installation Brackets are used.

This snap-on sliding bracket is manufactured in anodized aluminium for corrosion resistance. The central recessed hole is open in one side for easier installation over flat surfaces, while the two included screws in each bracket can be attached to the existing slots in VPL fixtures, allowing tolerance for thermal expansion.

Features and benefits

- ✓ 1 recessed hole for mounting over flat surfaces
- ✓ Easy adjustment via two screws

Certifications & classifications

Specification

Physical	Net dimensions	29 x 9 x 38 mm
	Net dimensions inches	1.1 x 0.4 x 1.5 inches
Installation	Orientation	Any
	Rigging possibilities	Surface-mounted
	Safety features	Designed to withstand 10 times the weight of the fixture without deformation

NOTES:

Due to continuous improvements and innovations, specifications may change without notice.

LEDs' expected lifetime provided by manufacturer and obtained under manufacturer's test conditions.

Zoom range defined as a minimum beam angle to a maximum field angle.

Photometric measurements obtained with Goniometer Scan / SGM Illumination Lab 1.6.0.0.

Lumen output in pixel products is calculated.
