

G-7 Spot

LED moving head

Description

The G-7 Spot is the quintessence of IP-rated moving heads. A fast, compact, and lightweight mid-sized moving head spot with high-output and low power consumption. Thanks to its white LED engine and CMY color mixing, the G-7 Spot is the perfect moving head for those who need maximum light output inside an easy-to-move luminaire. The G-7 Spot gives you a solid construction, a high-quality beam, and an optimal projection in a very flexible assembly. A fixture born to rock night after night.
