

Filter frame for P-1 - wide angle

Item no. 83061141

Description

This magnetic filter frame is suited for the P-1 and is part of an accessory range consisting of four different magnetic holographic filter frames.

The P-1 offers a standard 10° beam angle, which can be shaped to a 45° beam angle when using the wide angle filter frame. Additionally, it features a safety wire to be fixed to the yoke or top handle of the fixture (or the barndoors, if such are applied).

This filter can be combined with the barndoors accessories for P-1.
